6. Outcomes- Under the MOU there was several eight activities in terms of students seminar, faculty exchange programme, publication of students' journal etc. All these were organized in **online mode**. In such type of academic initiatives students had got an interactive opportunity with the selected faculties of the corresponding college. There was also a scope to interact among the students of both the colleges. In every session it was observed that participants-students were very attentive in academic discussion with much enthusiasm. In spite of covid posed trying time all the concerned students got a special academic favour in a very convenient way (using digital mode) rather to feel academic boredom. Specially in the faculty exchange programme students got an opportunity to enrich themselves in academic diversity. Also it is very much acknowledging that through this exchanges practices faculties too find a scope to strengthen intercultural sensitivity and become more intellectually competent. It can also be firmly believed that all these academic exchange practice be helpful to create a healthy bonding among the students and faculties of both the institutions.
