Message from the President

We, at Hiralal Bhakat College, ensure high quality education which motivates and empowers our students to be lifelong learners and the productive members of the society. At this institution, education is not just the amount of information that is put into a student's brain. Our education system is the one that cater the individual needs of our students.

We want all our students to achieve their full potential. Our task is to make it possible and our mission is to provide a platform for the same.

Our primary focus has always remained on student welfare that focuses on the positive recognition of student achievements. Teachers at HBC are highly qualified and experienced educators who are committed to supporting each student's learning experience through quality instruction and guidance that addresses the needs of the individual child.

I, personally believe that an education system that develops the imagination of the student is richer than the one that does not. The imagination is where new ideas are created and progress becomes possible. Imagination, I feel is more important than knowledge because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward. Imagination leads to innovation.

HBC has a keen interest in the activities that actively promote safe and healthy lifestyle and contribute effectively to sustainability and conservation of our environment. These activities are accomplished primarily through three NSS Unis and one NCC Unit of college.

I am sure that with the help of all the stakeholders and with their continuous support, we will be able to take our college to the next highest level of excellence. And college will always work for the best interests of our beloved students and our community at large. Let noble thoughts come to us from every side end enrich us for further advancements.

President
Hiralal Bhakat College

Message from the Principal

Hiralal Bhakat College, Nalhati, Birbhum primarily intends to nurture the shelved potential in students providing an ideal platform for them to channelize their creative outbursts and lend expression to their thoughts and views on various aspects in serene manner.

In spite of being situated in an underdeveloped rural set up and having a lion's share of 1st generation learners as stakeholders we have been successfully selected as one of the four colleges selected by RUSA eligible for being upgraded as a Model Degree College.

Our Institution believes that the purpose of education is to turn mirrors into windows, and as such are focused not only on pure studies but also on providing opportunity to each student to explore his or her own capabilities and their area of interest - curricular, co-curricular or extra-curricular. We aim to develop soft skills that will equip them to manage and lead the varied opportunities and challenges of the society with an added edge.

Our teachers are earnestly involved in upgrading the marketability of the academic achievements of our students. They at the same time are persistently engaged in research and publication related activities. This process of inclusive academic growth is the actual USP of our Institution.

The constant growth in information and communication related technologies in the recent past has brought about remarkable changes in various aspects of human life and led to the creation of a knowledge based society where knowledge is the most powerful tool for success. In the context, of being familiar to the latest technical advances in various fields has become an extreme need of the hour. Hence, apart from delivering excellent academic content and development of skills through practical experiences, the students are encouraged to develop interpersonal skills through interaction with knowledgeable resource persons and this entire process is made possible with the diligent involvements of the Non Teaching Staff of our college. They do always attempt to facilitate the process of academic excellence.

We believe that complete development of a student into a holistic person requires active participation of the parents too. Thus our institution is an inclusive holistic body of College Administration, Teachers, Non Teaching Staff, Students and Parents. We believe in team work and we hope for a bright future brought forward by our cumulative efforts.

Principal
Hiralal Bhakat College

Message from the Co-Ordinator, IQAC

The IQAC being an integral part of the college works towards realizing the goals of quality enhancement by developing a system for conscious, consistent and catalytic improvement in different aspects of functioning of the college.

The IQAC assures the stakeholders i.e., students, parents, teachers, staff, management, funding agencies and society in general – of the accountability and transparency in the quality management system of the institution and its concern for ensuring quality of education being imparted.

Internal Quality Assurance Cell is a step towards excellence. The IQAC organises various programmes for faculty, administrative staff and members of the administrative bodies. It conducts open forum to provide interface among students, teachers, non teaching staff and members of the administrative bodies of the college. It conducts staff assessment to provide valuable feedback for quality sustenance and improvement in teaching, learning and research experiences in the college. It documents and reports various activities of the college for various higher education requirements. A continuous follow up has been made on infrastructural resources of the college to assure adequate, appropriate and better facilities to assure conducive and enabling environment for teaching, learning and research. Through all these measures IQAC happens to be one of the important components of the college which ensures quality and continuous improvement in all the units / aspects of the college.

Dr. Suddhasattwa Banerjee
IQAC Co-ordinator
Hiralal Bhakat College

Mission and Vision

Vision:

Cultivation of a community of conscientious individuals rooted in integrity and accountability, who safeguard and celebrate our diverse cultural tapestry, uphold ethical principles, and cherish our moral heritage. Empowered with comprehensive professional skills, they become exemplary leaders in their respective spheres, driving positive transformation and sustainable development in our semi-urban landscape and beyond.

Mission:

- 1. Providing comprehensive ethical education and skill-building programs to individuals, fostering a strong foundation in integrity, accountability, and cultural appreciation.**
- 2. Facilitating community events, workshops, and initiatives that celebrate our diverse cultural heritage, foster understanding, respect, and unity among residents.**
- 3. Establishment of mentorship programs and leadership development initiatives which empower individuals to become exemplary leaders in various fields, equipped with ethical principles and professional skills.**
- 4. Promotion of sustainable practices and innovative solutions within our semi-urban landscape by fostering environmental stewardship and resilience in the face of challenges.**
- 5. Engagement in meaningful community service projects and social impact initiatives that address local needs, promote inclusivity, and contribute to the well-being of all residents.**
- 6. Fostering partnerships and collaborations with like-minded organizations and individuals nationally, amplifying our impact and contributing to positive transformation on a broader scale.**

Our Campus

Vidyasagar Bhaban (Old Building): The construction of this building was started in 1986. It is located on College Road which connected to the adjacent NH 14. Principal's chamber, teachers' room, administrative rooms and 12 class rooms are there in this building.

Rabindra Bhaban (New Building): This building was constructed in 2010 and the annexed part of it was constructed in 2012 and located at the same premises along with Vidyasagar Bhaban. All the rooms in this building are wide and airy. A small garden is there in front of the building.

A.P.J. Abdul Kamal Bhaban (Geography Building): This building was also constructed in our college premises in the year 2010. Several class rooms and various laboratories like surveying, RS & GIS are there in this building.

Cultural overview of the Campus

It is very important to make students fully aware of their cultural heritage and legacy, right from the beginning of the academic session. It is also important to know about our great heroes and geniuses in the field of culture, education and society. The committee played pivotal role to celebrate various programmes such as International Mother Language Day (21 February), Birthday celebration of Rabindranath Tagore (8th May), Freshers' Welcome (first week of July) Birthday celebration of Iswarchandra Vidyasagar (26th September), Sharad Utsab (October) etc. The committee is committed to contribute to the all-round development of the students by encouraging them to actively participate in various cultural activities through out the year.

NSS of the college

The three NSS Units (I/II/III) of Hiralal Bhakat College, Nalhati, Birbhum, West Bengal was approved by the University of Burdwan in 2005 and was functioning since 2005. The three NSS Units (I/II/III) of Hiralal Bhakat College motivates the volunteers & all college students to think and work for the society people. The Units are involved in various extension activities like blood donation & medical camp, visiting local environmental scenario, organizing campus cleaning programs, observance of various days etc. The three NSS Units (I/II/III) of Hiralal Bhakat College truly works to the motto of the National Service Scheme, "NOT ME BUT YOU". National Service Scheme (NSS) in India was initiated & started in 1969, this public service program is sponsored by the Government of India and is directed by Department of Youth Affairs and Sports in collaboration with State Government. National Service Scheme (NSS) is a voluntary program in which young people from colleges, universities and also +2 level work towards building a campus-community linkage. As the symbol of the National Service Scheme is a Rath Wheel from the Konark Sun Temple or The Black Pagoda which is located in Orissa, India, it signifies the movement organize in life through the time and space, it shows us the continuity and changes in a life. It also introduces the hard work of NSS in the field to bring social change. The wheel in the symbol portrays the cycle of creation, conservation and release. The aim behind the program of NSS is to give help to everyone who needs it, to increase and bring a better change in the standard of living and the way they lead their life with dignity. National Service Scheme is beneficial to both students as well as the society people in various different means. NSS supports the student to wake individually and also as a group. It makes the students confident, develop leadership skills, and gain knowledge about different people from different walks of society life. Students also come to know other skills that help them lead a better life in various situations.

NCC of the College

NCC unit, Hiralal Bhakat College is one of the most valued unit under 15 Bengal BN NCC, Suri Birbhum. It has one the best performance award in last three consecutive sessions: 2018-19, 2021-22 and 2022-23 (Covid 19 pandemic ceased the interim sessions-2019-20 and 2020-21. Regular camping, adventure camping, cultural meet, sports and games etc. all the events have consistently been illumine by the performances of the cadets of Hiralal Bhakat College. The CTO of this NCC unit, Biswanath Pahari is going to be upgraded to the ANO soon, further upholding the status as well as the performance of the unit. The cadets of this unit make us proud by their regular appointments in different defense services and police services. Hence all new comers are welcome to avail this oppertunity to honour the institution as well as themselves by becoming proud members of this family.

Departmental Overview

Department of Bengali

Bengali Department is the most eminent and one of the oldest department of Hiralal Bhakat College ,Nalhati,Birbhum. The department started its journey since 1995 (B.A general) and The Honours courses have been started from the year 2000, affiliated by University Of Burdwan. The department gathered mass of faculties who devoted their time in teaching the subject. Presently the department has four full-time teachers and three SACT Professors. Our Principal also is an active and efficient part of this department. The faculty members are quite actively involved in research and teaching activities. The teachers also participate in various workshops, seminars, paper presentation on relevant issues. The success rates of the students are almost cent percent and many of the students are enrolling into higher education each and every year.

Cultural Activity is one of the positive features of the Bengali Department. As a co-curricular activity, the department publishes a yearly wall magazine named 'MANAN' on regular basis. The department has also organized several departmental seminars, quizzes, debates, Annual cultural competitions, to encourage different soft skills of the students. The department also conducts Educational Tour once in a year. Eminent educationists from various fields share their knowledge and skills with our students as guest faculty. Every year we celebrate Rabindra jayanti,Teacher's day and International Mother Language Day. Yearly, our students also display their painting and handmade stuff making ability in a temporary exhibition named 'Katum Kutum".Department also frequently arranges some film-shows on syllabus related novel to enhance the sense of aesthetics and moral values of the students. Apart from the lecture method, the department has always inspired to improve the critical and analytical skills of the students through the seminar by the students, poem recitation and analysis,drama presentation etc.

Departmental Overview

Department of English

Department of English, HiralalBhakat College, Nalhati, Birbhum has been one of the most prominent departments of the College. Beginning with a Compulsory Course in English associated with the Department of Commerce it gradually gets permission to start a General Course at first and then a Hons. Course in due time. Innovation has always been the hallmark of the Department and it now hosts Compulsory Language Courses, Core Courses, Ability Enhancement Courses, Skill Enhancement Courses, Discipline Specific Elective Courses and Generic Elective Courses for young scholars. With a team of dedicated and energetic faculty members the Department continues to explore new avenues in its pursuit of excellence.

The learning environment is enhanced by the use of smart classrooms and efforts are taken to ensure that the learning process is innovative and progressive, giving due importance to problem-based learning. Assignments and other learning activities are set in line with this approach. Peer learning, tutorial classes, mentoring and promoting education beyond the syllabi, student-centric participatory learning and proper grievance redressal further ensure the holistic development of students. In addition extension and literary activities are regularly conducted e.g. student seminars, gender sensitization programmes, alumni meets, publication of manuscript magazines, the observance of a cultural and literary fest in each academic session etc. Being a centre for cultivation of academic excellence the Department engages in research based assignments and ensures that workshops, conferences and seminars are conducted at regular intervals across the academic year. Counselling for the NET (National Eligibility Test) is a recent initiative of the department. The involvement of the Governing Body of College has always been commendable, and their initiative in instituting prizes for the best Hons. And Gen. Category students deserves special mention. The Department has produced stalwarts in numerous fields – Writers, Editors, Teachers, Professors, WBCS and other Govt. and Bank Officials to mention a few. Distinguished alumnae who have made their mark in diverse places testify to the generations the Department has impacted.

Departmental Overview

Department of Arabic

Established in 2013, the Department of Arabic at HBC has swiftly risen to prominence, drawing a substantial number of students each year and becoming an indispensable part of the college's academic fabric.

The department offers a comprehensive three-year (six-semester) B.A. (General) programme in Arabic, encompassing language studies, literary exploration, and an overview of the modern history of Arabic-speaking nations. Noteworthy features of the curriculum include rigorous training in Arabic language, literature, and translation, as well as insights into the rich literary and cultural heritage of the Arab world. Moreover, the department actively fosters student engagement in academic and cultural activities within the college and beyond.

In pursuit of its mission, the Arabic Department has initiated an online Arabic Bi-annual Peer-reviewed International Journal, aimed at promoting the Arabic language and providing students with exposure to scholarly peer-reviewed articles in Arabic. This invaluable resource can be accessed through <https://www.hilalalhind.in/>

Departmental Overview

Department of Urdu

Urdu is a language that belongs to the Indo-Aryan branch of the Indo-European language family. It is one of the official languages of India. It is also spoken in some other countries, such as Pakistan, Nepal, Bangladesh, Japan, Dubai, America, South Africa etc. Urdu has a rich literary and cultural heritage, and is influenced by Persian, Arabic, and Sanskrit. Urdu is written in a modified version of the Perso-Arabic script, called the Urdu alphabet, which has 36 letters. Urdu is closely related to Hindi, and they are mutually intelligible in spoken form. However, they differ in their writing systems and vocabulary.

The Department of Urdu, Hiralal Bhakat College, Nalhati, Birbhum-731220, West Bengal has been established in the year 2013. The Department has developed a lot over the years. The tendency of students to read Urdu is gradually increasing. We hope that very soon there will be a good number of Urdu readers here.

The Department offers Three years (6 semester) B.A. (General) program in Urdu language which covers definition, characteristics, origin and evolution of Urdu language in India. The salient feature of the course is a Ghazal, Nazam, Qaseeda, Marsiya, Masnavi, Dastan, Novel, Short Stories Urdu Journalism, Rhetoric and Translation etc. Besides that, the Department encourage the pupils for NET (National Eligibility Test) and SET (State Eligibility Test) and also encourage them to participate and attend the academic, social and cultural program in the Department/College.

Departmental Overview

Department of Sanskrit

Sanskrit, a Classical language (declared in 2005) and an Official language among the 22 languages Official of India is also a sacred language of the country. It is not only a language ; it's a subject toso. Various books (literature, politics, medical- science, philosophy , law, grammar etc.) are written in this language. It is a very popular subject from the very the onset of its journey and still maintains its intellectual integrity and importance in today's world.

The course covers the subject in every possible way as historical , socio-political, economical and obviously it tries to boost the morality of a student. Its intention is to relate the student with the past and the present via the texts and the studies. It will help to improve their communication skills, critical thinking and also assist them to work as a team.

The department has a plan in near future to develop the spoken and writing skills of the students and to help them to understand how they can imply this knowledge in practical life. We are looking forward to encourage our ex-students by providing our huge source of books from the college - library for further studies and also by giving them necessary guidance to enter in a professional life.

Department of History

The Department of History of Hiralal Bhakat College has always been in the forefront of academic and intellectual activities. The teachers of the History department have always made efforts to encourage their students to think freely and express their opinions fearlessly. The department regularly organises various state level and college level seminars, so that students can get opportunity to hear lectures from social scientists and experts on various crucial issues. The Department not only organised off line seminars but also organised a number of state level webinars during the lock down period to cultivate the minds of students. The department has been visited by various eminent social scientists in the field of history between the sessions 2018-19 and 2022-23.

Department of Geography

The Department of Geography has started its journey from 2008 with a General Course of Undergraduate Programme. Later it was upgraded by an Honours Course from 2013. At present the Department includes three Assistant Professors, four SACTs and one Laboratory Attendant. The Department is facilitated by a well equipped general laboratory and a RS & GIS laboratory with proper internet connection. Following the University prescribed syllabus, student-computer ratio is routinely maintained in the RS & GIS laboratory. An annual Field Study is conducted by the Department and each student of Semester-V submit a Field Report to fulfill their Undergraduate Programme. Having a good student-teacher ratio, the Department always bears a rare personal relationship. Students can also follow a Youtube channel entitled 'World of Geography, Hiralal Bhakat College' to revisit some important classes. Teachers demonstrate practical classes in audio-visual mediums to grow a user-friendly attitude of students towards equipment. Recently an ICSSR funding Research Project was completed in this Department successfully.

Department of Philosophy

Socrates said, "The unexamined life is not worth living." His observation inspires the mission of Philosophy department of H.B College: to examine, explore and advance our understanding of the world. We encourage students to approach education as a lifelong learning process and as an end in itself by creating a rich mentoring environment. We emphasize the necessity for all our students to learn critical thinking skills, to read well, to write well, and to recognize the importance of reflecting on their ideas and values. The department strongly supports student engagement across campus and explicitly recognizing our roles as student educational advocates.

The department of philosophy is committed to strengthening its commitment to student success and broadening its recognition for excellence in teaching and community service. We will strive to enhance our curriculum with state of the art technological advances in online and face to face instruction.

Students completing a B.A in Philosophy will be able to: i) critically analyze a philosophical argument concerning particular topic or problem, ii) articulate argument of their own in support of a philosophical thesis.

Departmental Overview

Department of Political Science

The Department of Political Science is one of the leading 'departments' of our college. The Department can rightfully claim a pioneering role in this regard under the Burdwan University. National, State-level, Departmental seminars are held regularly. Teachers of different Universities and Colleges deliver their valuable lectures to the benefit of students and teachers alike. These seminars help them keep abreast of contemporary political issues.

The specific academic curriculum suggested by BU with co-curricular activities is supplemented and reinforced by organizing frequent debates, quizzes, mock parliament, sensitization programs etc. which help in an all round development of the students' personality. The college houses a well equipped library having all important periodicals, journals, books, and other publications in political Science and other related fields.

In addition to the traditional lecture method we have evolved our own co-operative system of learning in which a class is converted into a session of constructive dialogue on important as well as very common unnoticeable issues, thereby encouraging students to formulate thought provoking opinion with respect to the most acceptable hypothesis.

Departmental Overview

Department of Physical Education

Bachelor of Arts in Physical Education is an undergraduate Physical Education course. The program comprises a combination of the study of all areas of science relating to physical knowledge and skills and the application of these skills (practically and theoretically) and their results. In other words, B.A. (Physical Education) is a degree that builds a strong foundation in physical education and covers all the principles of physical fitness as well as basic anatomy. It is the study of physical fitness, which includes recreational exercise, sports, and health. After passing the course candidates have good career options in various fields along with further higher studies.

Physical education studies the science of psychomotor skills deployed while playing sports. In other words, it is a science that studies different kinds of psychological skills required to make physical movements. The different types of sports need a different set of psychomotor skills, which are studied in Physical Education (PE) to sharpen particular sports skills. PE studies all physical aspects to keep the body healthy and active. Here are the details on the opportunities, scope, salary, colleges, for Physical Education.

Physical education is a vast subject that studies the biological, psychological, physical and nutritional aspects of sports. It is essentially an interdisciplinary area of inquiry aimed at identifying and knowing all factors, which can keep the human body healthy so that he can play his best. Physical education is now a compulsory subject in schools and Universities. There is a growing awareness that physical activities and studies are equally important. Students are encouraged to indulge in any physical activity. As the saying goes, in a healthy body lives a healthy mind. And, a healthy mind will have more concentration power.

Students are introduced to different kinds of games and sports so that they can explore their area of interest. After that, they are trained physically to master that particular activity/game/interest. The physical education instructors help the players to streamline their bodily movements efficiently as per the requirements of the particular sport.

Besides, physical training helps to gain physical fitness. It keeps one's heart-healthy by increasing blood circulation, which increases the oxygen supply in the body. More oxygen in the blood decreases the sugar level and keeps one away from sugar-related diseases. It also helps in maintaining the right body weight. Physical activities are also stress-busters that keeps one's mind healthy.

There are various career options in sports academy, health clubs, sports goods manufacturing companies, and in the areas of marketing. Also, there are opportunities as a commentator, sports journalist, sports trainer, school/college teacher (physical training), and many more.

Departmental Overview

Department of Mathematics

Mathematics is the study of numbers, structures, relations and patterns. The word 'Mathematics' comes from the Greek word "μάθημα" (mathema), meaning 'science, knowledge or learning'. It is a powerful scientific tool for global understanding and communication. Using mathematics one can solve the real world complex problems in very easiest way and make the prediction of future scenario. Today, mathematics is used throughout the whole world as an essential tool in large number of fields like as medical science, engineering, economics, psychology etc. According to Hogben- 'Mathematics is the mirror of civilization'.

The department of Mathematics in Hiralal Bhakat College started its journey from the Year 2018 under The University of Burdwan. At present, the department offers General Course with B.Sc. Degree only. The department suggests honour course of B.Sc. Degree in future for developing human resources of a community. The final semester-end results of University examinations are encouraging. Teachers of this department have the distinction of working research activities. There is a very good cordial relation between the students and teachers. Teachers and students participate in the sports and cultural programmes organised by the College.

Departmental Overview

Department of Computer Science

The Department of Computer Science of the Hiralal Bhakat College is successfully running B.Sc General in Computer Science programme since 2018-19 session. Bachelor in Computer Science is a three year (six semester) full-time regular degree course (CBCS) in Computer Science. This degree course is affiliated by The University of Burdwan. This department suggests computer science honours course in future under the university of Burdwan. We are waiting for such advanced course for the development of technical abilities.

The Computer Science program is aimed at designing and implementing advanced traditional computing environment. Computer science has both 'logical' and 'technical' components. These components are based on functional and informational requirements, system configurations and Computer science standards and rules that will be used to implement the logical architecture.

Departmental Overview

Department of Computer Science

The Department of Physics of the Hiralal Bhakat College is successfully running B.Sc. general in Physics programme since 2018-19 session .Bachelor in Physics is a tree year full time regular degree course in Physics. This degree course is affiliated by The University of Burdwan.

"From the nano to macro, we seek to understand the origin of the universe, the ultimate structure of matter & the fundamental laws that govern the physical world. I am proud to belongs to an excellent and divers community of faculty." –Md Ashik Mondal

Goals and Objective of the Department:

To create the awareness about fundamental concepts and competency by providing the essential scientific knowledge and skills.

We believe our students and their performance only can act as our perfect testimonial. So our main objective is that to impart quality education to our students with best available facilities. It is our greatest objective to obtain consistent and excellent results that would serve as our resume.
