OBJECTIVE :

To raise awareness of value of physics in our daily life and society.

BRIEF ABOUT THE EVENT:

The department of Physics organized a one day college seminar on the topic "Physics In Daily Life" on 7th August, 2020. in Google meet. 48 students of all departments of the college attended the seminar. Our Honorable Teacher-in-Charge and Coordinator of IQAC at this college gave the introductory speech to kick off the seminar.

The speaker of this seminar was Md Ashik Mondal, SACT in Physics, who has experiences of 5 years in teaching. Physics in daily life – study of matter, energy, and the interactions between them, help us to understand the law and rules that govern the physical world. Not every student will grow up and study physics on a deeper lever, but everyone uses basic physics concepts to negative every life.
