Acknowledgement of Project Report

ACKNOWLEDGEMENT

I want to thank everyone who has helped and supported me throughout my report.

First and foremost, a big thank you to my professors, **Dr. Rejaul Islam Sana** (head of geography Department), **Dr. Niladri Das**, **Dr. Indranil Mondal**, **Biswajit Mondal**, **Chandan Ghosh**, **Biplab Sen** and **Sajal Ghosh**, for giving me in the right direction.

I am also grateful to our wonderful principal **Dr. Nurul Islam**, who has created a nurturing and creative environment in our college.

I would also like to acknowledge my parents and my friends, who encouraged me and contributed their ideas and perspectives, which greatly enriched the report.

Remarks:

Students learned the application of secondary data for preparing the disaster management project report. They are able to find out the relevant secondary sources, through which they can fulfill any kind of project report. It ensure their writing skill, analytical technique and thought in a right direction. Through this particular project report they gain some knowledge regarding the risk and vulnerability of hazards and disaster and its mitigation aspect.

A handwritten signature in blue ink, appearing to be "B. Banerjee".
